The theme of this year's conference is 'Tackling It All'. Whilst 'All' may be a tall order, the aim of this year's conference is to offer a diverse range of topics to support balancing the key areas of improving access, meeting CQC obligations, understanding the role of General Practice in the new STPs, providing leadership and recruiting to new roles all whilst maximising income at the same time!

We are delighted that the following are just some of the highly experienced speakers joining us in our quest:

- Professor Beverley Alimo-Metcalf
- Kate Allatt, Inspirational Speaker & survivor of Locked in Syndrome
- Dr Tim Ballard, CQC
- Helen Stokes-Lampard, Chair Elect & Honorary Treasurer RCGP
